CERTIFICATION OF NON-SEGREGATED FACILITIES;
NON-DISCRIMINATION IN EMPLOYMENT IN NORTHERN IRELAND
COMPLIANCE WITH FEDERAL EQUAL EMPLOYMENT OPPORTUNITY ACT;
COMMITMENT TO NEW YORK STATE BUSINESS ENTERPRISE;
AND NON-COLLUSIVE BIDDING REQUIREMENT

1. The CONTRACTOR certifies that the CONTRACTOR or its SubCONTRACTOR does not, nor shall not, maintain or provide for the employees of such CONTRACTOR or SubCONTRACTOR any segregated facilities at any establishments, of such CONTRACTOR or SubCONTRACTOR, and that the CONTRACTOR or SubCONTRACTOR shall not permit any employees, of such CONTRACTOR or SubCONTRACTOR, to perform services at any location, under the control of such CONTRACTOR or SubCONTRACTOR, where segregated facilities are maintained. The CONTRACTOR or SubCONTRACTOR agrees that a breach of this certification is a violation of the equal opportunity clauses of the Agreement. The CONTRACTOR or SubCONTRACTOR further agrees that, except in any instance in which the CONTRACTOR or SubCONTRACTOR has obtained identical certifications from proposed SubCONTRACTORS for specific time periods, such CONTRACTORS or SubCONTRACTOR shall obtain identical certifications from proposed SubCONTRACTORS prior to the award of subcontracts exceeding Ten Thousand Dollars (\$10,000.00); that such CONTRACTOR or SubCONTRACTOR shall retain such certifications in the files of such CONTRACTOR or SubCONTRACTOR.
2. The CONTRACTOR or SubCONTRACTOR further stipulates that it, and any individual or legal entity in which the CONTRACTOR or SubCONTRACTOR holds a ten percent (10%) or greater ownership interest and any such entity that holds such an interest in the CONTRACTOR or the SubCONTRACTOR, either:
 - (i) has no business operations in Northern Ireland; or

3. The CONTRACTOR attests to its compliance with the Federal Equal Employment Opportunity Act of 1972 (P.L. 92-261), as amended.
4. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority and women-owned business enterprises as bidders, subCONTRACTORS, and suppliers on its procurement contracts. Information on the availability of New York State subCONTRACTORS and suppliers, including the Directory of Certified Minority and Women-Owned Business Enterprises, is available from the New York State Department of Economic Development.
5. The Omnibus Procurement Act of 1992 (as amended) requires that by signing this bid/proposal, the CONTRACTOR certifies that whenever the total bid amount is greater than \$1 million:
 - (i) The CONTRACTOR has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subCONTRACTORS on this project, and has retained the documentation of these efforts to be provided upon request to the Owner.
 - (ii) The CONTRACTOR agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. 6. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, the CONTRACTOR warrants, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. The CONTRACTOR further warrants that, at the time the CONTRACTOR submitted its bid, an authorized and responsible person executed and delivered to the Owner a non-collusive bidding certification on the CONTRACTOR behalf.

Certification - Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

Certification instructions.—You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because of underreporting interest or dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, the acquisition or abandonment of secured property, contributions to an individual retirement arrangement (IRA), and generally payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (Also see *Signing the Certification* on page 2.)

Purpose of Form.—A person who is required to file an information return with the IRS must obtain your current TIN to report income paid to you, real estate transactions, mortgage interest you paid, the acquisition or abandonment of secured property, or contributions you made to an IRA. Use Form W-9 to furnish your correct TIN to the requester (the person asking you to furnish your TIN) and, when applicable, (1) to certify that the TIN you are furnishing is correct (or that you are waiting for a number to be issued), (2) to certify that you are not subject to backup withholding, and (3) to claim exemption from backup withholding if you are an exempt payee. Furnishing your correct TIN and making the appropriate certifications will prevent certain payments from being subject to backup withholding.

Note: If a requester gives you a form other than a W-9 to request your TIN, you must use the requester's form.

How to Obtain a TIN.—If you do not have a TIN, apply for one immediately. To apply, get Form SS-5, Application for Social Security Card (for individuals), from your local office of the Social Security Administration, or Form SS-4, Application for Employer Identification Number (for businesses and all other entities) from your local IRS office. To complete Form W-9 if you do not have a TIN, write "Applied for" in the space for the TIN in Part I, sign and date the form, and give it to the requester. Generally, you will then have 60 days to obtain a

TIN and furnish it to the requester. If the requester does not receive your TIN within 60 days, backup withholding, if applicable, will begin and continue until you furnish your TIN to the requester. For reportable interest or dividend payments, the payer must exercise one of the following options concerning backup withholding during this 60-day period. Under option (1), a payer must backup withhold on any withdrawals you make from your account after 7 business days after the requester receives this form back from you. Under option (2), the payer must backup withhold on any reportable interest or dividend payments made to your account, regardless of whether you make any withdrawals. The backup withholding under option (2) must begin no later than 7 business days after the requester receives this form back. Under option (2), the payer is required to refund the amounts withheld if your certified TIN is received within the 60-day period and you were not subject to backup withholding during that period. **Note:** Writing "Applied for" on the form means that you have already applied for a TIN OR that you intend to apply for one in the near future. As soon as you receive your TIN, complete another Form W-9, include your TIN, sign and date the form, and give it to the requester. **What Is Backup Withholding?**—Persons making certain payments to you after 1982 are required to withhold and pay to the IRS 31% of such payments under certain conditions. This is called "backup withholding". Payments that could be subject to backup withholding include interest, dividends,

broker and barter exchange transactions, rents, royalties, non-employee compensation, and certain payments from fishing boat operators, but do not include real estate transactions.

If you give the requester your correct TIN, make the appropriate certifications, and report all your taxable interest and dividends on your tax return, your payments will not be subject to backup withholding. Payments you receive will be subject to backup withholding if:

- You do not furnish your TIN to the requester, or
- The IRS notifies the requester that you furnished an incorrect TIN, or
- You are notified by the IRS that you are subject to backup withholding because you failed to report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- You do not certify to the requester that you are not subject to backup withholding under 3 above (for reportable interest and dividend accounts opened after 1983 only), or
- You do not certify your TIN. This applies only to reportable interest, dividend, broker, or barter exchange accounts opened after 1983, or broker accounts considered inactive in 1983.

Except as explained in 5 above, other reportable payments are subject to backup withholding only if 1 or 2 above applies. Certain payees and payments are exempt from backup withholding and information reporting. See *Payees and Payments Exempt From Backup Withhold-*
